The Dot Motorcycle Club has been formed with the support of the Dot Motorcycle Company in order to link together all those who share a common interest in the marque.

The club will issue a quarterly newsletter and offer information and technical back up from the archives as well as helping those who display and restore Dot Machines.

There is a joining fee of £5 and annual subscription of £10* (1st April 2008 to 31st March 2009). However, in the year of joining the Club the membership fees will be calculated on a quarterly basis. The Club's financial year is divided into four quarters beginning, respectively, Summer, Autumn, Winter and Spring: Each quarter, or any part of it, will attract one quarter of the annual membership fee, therefore if a member joins on the 15th August, for example, fees will be due for the following three quarters to take them up to the end of the financial year on the 31st March. (i.e. on the current annual rate of £10, the member would pay only £7.50 for their first period of membership. Thereafter, on renewal, they would pay the normal annual fee.) A joint family membership is available for a further £2.00 per person per year; the new member(s) are entitled to all the benefits of the full member except the quarterly journals and any promotional items given to the full member when joining or after joining. Please note this only applies to members at the same postal address.

To join, complete the form below and post it to the above address, together with a cheque or postal order for £15 (or applicable) made out to "**Dot Motorcycle Club**". Please make payments in STERLING and drawn on a UK bank.

* European Union++ applicants please add a further £2.00 to cover additional postage costs (2008-2009). All other countries please add a £4.00. Please contact the club for further assistance. "Paypal" is available for paying fees, please email the club for more details at dotclub@freenetname.co.uk

Welcome to the Club.
